

Local park is overgrown with weeds...

What can I do when a big disaster happens...

Are a safety measure and crime prevention measure all right...?

I'm worried if my kid gets used to school and the community...

Let's join in ChonaiKai, neighborhood association !

~Let's make a comfortable town together ! ~

Let's call for participants and have clean-up activities !

Let's plan a disaster drill !

Let's patrol and conduct watch-over activities !

Let's do an event and get together !

We'll be able to consider any problem and solve it together !

Let's join in ChonaiKai !

1 Activities for local safety !

Chonaikai conducts crime prevention patrol, installs an outdoor security light in a dark place and maintains it in order to prevent sneak thief, car break in and bag-snatching.

2 Community development which is strong against disaster !

Chonaikai usually holds crime prevention drill. In the event of disaster such as earthquake, it will operate refuge shelter. It also stores water and emergency provisions and will serve as an emergency organization.

Chonaikai's activities are ...

3 Chonaikai helps you make friends in the community !

Chonaikai holds events which local residents can participate in such as Bon odori gathering, sports festival, etc. You'll ask Chonaikai members about local rules and also consult members on your concerns such as school for your child.

4 Chonaikai provides familiar information quickly !

When crimes occur consecutively in the community such as underhand door-to-door sales, sneak-thief, Chonaikai will inform you of the matter using a circular bulletin, Kairanban and a poster. It also distributes Gamagori city bulletin so that you'll know information about the community for example health check-up program, vaccination program, etc.

How to enroll in Chonaikai ?

You only have to contact Chonaikai officials (Sodai, Jokaicho, Kumicho, etc.) in your community. If you don't know the officials, please contact Kyodomachidukurika in Gamagori City Hall.
